

## INSURANCE

If it's worth storing, it's worth insuring. Did you know not all insurance policies automatically cover goods in storage?

Here at National Storage, we pride ourselves on keeping New Zealand's valuables safe. We offer modern and secure premises and although incidents at our centres are rare, we always recommend you protect your possessions just as you would if they were kept at home.

For a small premium that is billed monthly with your rent, National Storage is pleased to offer a storage specific insurance policy, arranged by Crombie Lockwood and provided by certain underwriters at Lloyd's (Administered by Offshore Market Placements Ltd).

### Monthly Premiums (effective 1 January 2023)

Sum Insurance	Insurance Premium
Up to \$5,000	\$10.00
